**Road, Sewer and Watermain Replacement Project**

## PUBLIC INFORMATION SESSION

May 2018

**You are invited:  
Wednesday, May 23, 2018  
5:30 pm to 8h30 pm  
Fisher Heights Community Centre  
31 Sutton Place, Ottawa, ON**

Dear Resident,

The City of Ottawa invites you to attend a drop in Public Information Session to discuss a construction project planned in your neighbourhood.

At the Public Information Session, you will be able to drop in to review the functional roadway design for the entire project. The exhibits, as part of this public information session, will illustrate the proposed roadway geometry, roadway widths and sidewalk and cycle track locations. Representatives from the City, the design consultant and the Councillors will be available to discuss the project and to answer your questions.

**Where:** The streets included as part of this project are:

- Fisher Avenue from Meadowlands Drive to Deer Park Road
- Deer Park Road from Fisher Avenue to Millbrook Crescent
- Millbrook Crescent from Deer Park Road to Hilliard Avenue
- Hilliard Avenue from 250 m east of Millbrook Crescent to Farlane Boulevard
- Farlane Boulevard from Hilliard Avenue to Wallford Way
- Wallford Way from Farlane Boulevard to Higwood Drive

**Who:** The professional engineering design consulting firm, J.L. Richards & Associates Limited, has been retained by the City of Ottawa to develop preliminary and detailed design drawings and specifications for a construction contract that is to follow the design assignment.

**Why:** The purpose of the project is to renew the aging infrastructure on the affected streets and to improve the existing trunk storm sewer system servicing the neighbourhood.

**What:** Specifically, the works proposed include the rehabilitation and/or replacement of:

- Trunk storm sewers including a new trunk storm sewer along Fisher Avenue
- Sanitary sewers and some sections of watermain
- Lateral services to the property line
- Roads and sidewalks including:

## NOTICE TO RESIDENT

- Improvements to active transportation on Deer Park Road that include the addition of a new sidewalk on the north side and the addition of east-west bike lanes with removal of on-street parking between Fisher Avenue and Millbrook Crescent
- Addition of a new sidewalk on one side of Millbrook Crescent, Hilliard Avenue, Farlane Boulevard, and Wallford Way
- Addition of segregated cycle tracks on Fisher Avenue
- Construction of a fully protected intersection at Fisher Avenue/Meadowlands Drive
- Utility reconstruction as required

**When:** The current project schedule is as follows:

- Design – spring 2018 to winter 2019
- Construction start – spring 2019

Accessibility is an important consideration for the City of Ottawa. If you require special accommodation, please contact the undersigned.
